

Training simulators should be smaller and easy to use...

NEW **EasySim**

Revolutionizing training simulators

- No more codes to remember
- No more batteries to worry about
- Thousands of simulations at your fingertip.

Direct access to:

12 Lead ECG

- ▶ NSR
- ▶ TACHY
- ▶ BRADY
- ▶ ECG rates- +/- 10bpm
- ▶ ST +/- 1mm
- ▶ PVC, Couplet, Run, Pause
- ▶ VTACH, VFIB, ASYS,
- ▶ Bi-Gem, Tri-Gem, AFIB
- ▶ AFLUTTER, 1st, 2nd and 3rd degree blocks
- ▶ Muscle and baseline noise

Respiration

- ▶ Respiration rates- +/-5bpm

Invasive Pressure (4 Channels)

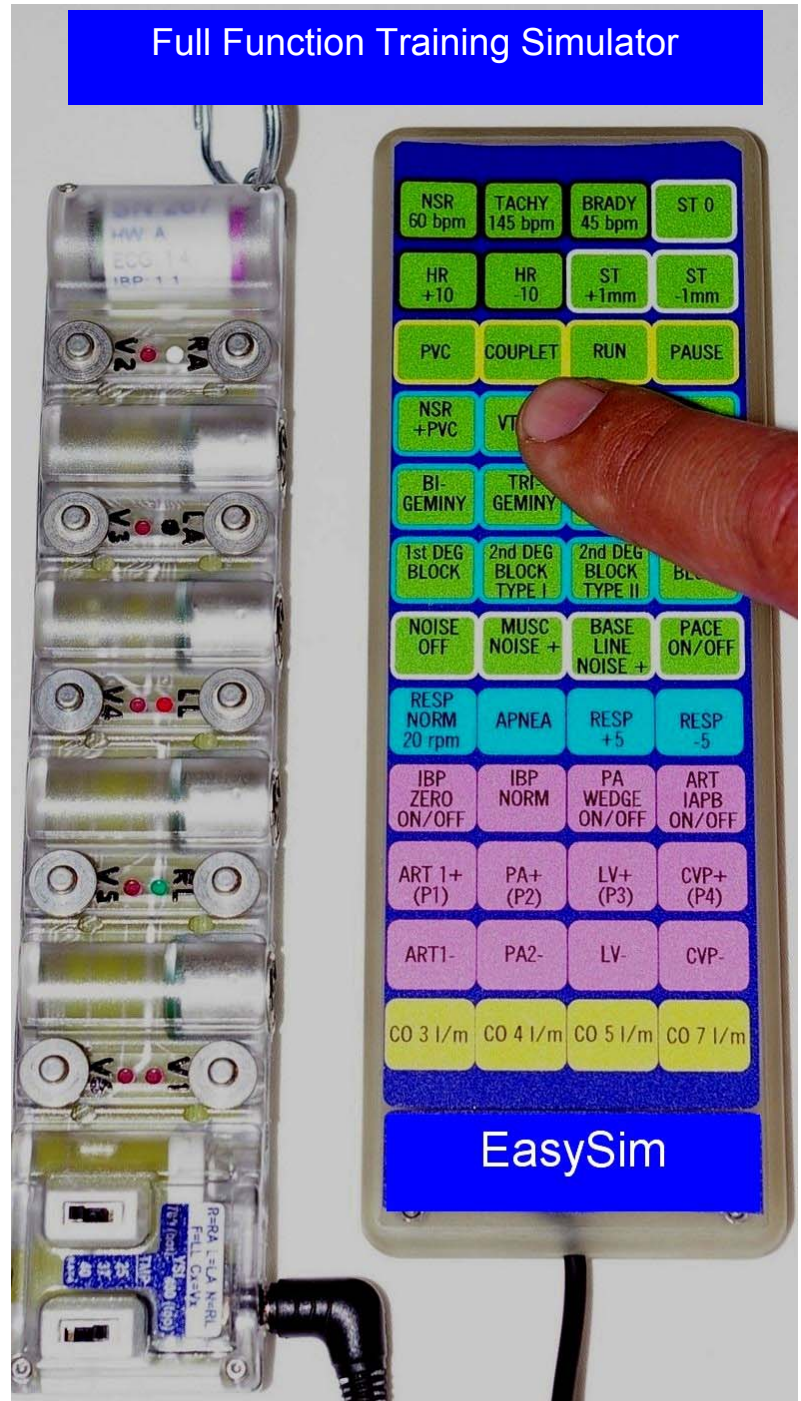

- ▶ ART, PA, LV and CVP pressure control
- ▶ PA wedge, and IABP

Cardiac Output

- ▶ Cardiac Output 3, 4, 5 and 7 l/m

Unprecedented battery performance

- ▶ 5 Year Battery run time (no charging or changing)

No more clunky chargers or AC adapters to fuss with, no more codes to memorize, no more desk top space crowded by a big bulky simulator.

EasySim has arrived.
